

The DEKOR® Etched Glass Perfect Panel Balusters are made from 1/2" tempered glass with a smooth, pencil-polished edge and are ready to stand up to the wildest winds. The etched panels are available with LED light strips in the panel boots to bring your design to life in the dark. They are compatible with the DEKOR® Plug-N-Play system, and come ready to install. Each panel is etched in-house and can be fully customized. For more information call 1.800.258.0344, or connect to our responsive chat messenger at [dekorlighting.com](http://dekorlighting.com).
