

## DEKOR® RGBW Infinite Light

DEKOR® innovation is at it again, with the RGBW Infinite Lite provides infinite opportunities and beyond! The RGBW LEDs gives you an almost infinite amount of color choices. These thin lights are sold individually but can be attached end to end to create custom runs. The Infinite Lite can mount to any smooth surface with the included adhesive strip and/or seating in to the aluminum powder coated up/down or stair housing which mounts with two screws.
